

**3rd International Conference on Geography and Geoinformatics
(3rd ICGGS)**

30 November – 2 December 2023, Can Tho, Vietnam

Organized by

(1) Department of Geography, Faculty of Social Sciences, Srinakharinwirot University THAILAND

(2) Land Resources Department, College of Environment and Natural Resources, Can Tho University VIETNAM

(3) International Center for Climate and Environment Science, Institute of Atmospheric Physics, Chinese Academy of Sciences, CHINA

Announcement

We would like to invite you to the 3rd International Conference on Geography and Geoinformatics (3rd IGCCS). The conference will be held on 30 November – 2 December 2023 in Can Tho, Vietnam. ICGGS aims at providing a platform for scholars around the world to engage in a broad spectrum of issues ranging from Natural resources & climate change, Socioeconomic, Geography & Geoinformatics application, Geography & Geoinformatics Education, followed by exploring the growth of technological advancement in Geoinformatics and its importance to the environment and society.

On behalf of ICGGS Co-chair, it is a great pleasure for us to invite you to attend 3rd ICGGS in Can Tho, Vietnam. It would be great if you can contribute to oral/poster presentation and circulate 3rd ICGGS event to your networks.

We are looking forward to seeing you in Can Tho 2023.

Call for Abstract

We invite you to contribute to oral/poster presentation. Areas of interest include (but are not limited to:

- **Natural resource & climate change**

Global warming, climate change, water resources, land use change, agriculture, energy, ecosystem, biodiversity, pollution, disaster, coastal and marine environments

- **Socioeconomic**

Urbanization, food security, logistic and transportation, community resilience,

landscape ecology, economic development

- **Geoinformatics application**

Geographic information system (GIS), remote sensing (RS), web mapping, open sources GIS application, Internet of Things (IoT), Deep learning

- **Education**

Geography & Geoinformatics education, STEM Education

Preference for oral or poster presentation may be indicated upon submission. The deadline for abstract submission is extended from 31 August to 15 September 2023

Abstracts of 150-300 words are to be **submitted** through **Conftool** platform at the <https://www.conftool.net/icggs2023/>

Scientific committee

Zhaohui Lin, Professor,
Masahiko Nagai, Associate Professor,
Huang, Jr-Chuan, Professor,
Wen, Tzai-Hung, Professor,
Ahmed Hassan, the Ministry of Education
Nguyen Hong Quan, Associate Professor,
Tsung-Yi Lin, Professor
Yen-tsao Wei, Professor

Local organizing committee (Vietnam)

Department of Land Resources,

Local organizing committee (Thailand)

Chomchanok Arunpold (Chair),
Sathaporn Monprapussorn (Co-chair),
Chudech Lohsiri,
Sawettachat Srisurat,
Kallayanee Kullachai,
Sutatip Chavanavesskul,
Teerawate Lingomonvilas,
Sureeporn Nipithwittaya, Pakorn Meksangsouy,
Chomchanok Arunpold,
Asamaporn Sitthi,
Wuttichai Boonpook ((Secretary General),

Sarawut Ninsawat,

Important date	
Call for abstracts:	March 2023
Abstract submission deadline:	15 September 2023 (extended)
Notification for abstract submission:	30 September 2023 (extended)
Deadline for Early Bird registration:	31 October 2023
Deadline for full paper submission:	31 October 2023
The 3 rd ICGGS conference	30 November – 2 December 2023

* Online payment system will be available soon

Conference program	
30 November 2023	Opening ceremony Plenary sessions Parallel sessions Poster sessions
30 November 2023	Welcome reception & conference dinner
1 December 2023	Plenary sessions Parallel sessions Poster sessions
2 December 2023	Excursion

Full registration	US\$400	US\$500
Full registration (Local participants)	US\$200	US\$250
Student	US\$200	US\$250
Accompanying person	US\$250	US\$250

- Registration fee includes access to conference sessions, lunch and all-day refreshments, and receptions. The fee does not include accommodation or any workshop.

- Students are requested to send the copy of student ID card (scanned PDF or photograph of the card) to the conference organizer by registration payment system.
- Bookings for this event are non-refundable.

Conference Venue

The conference will be held at Can Tho University, Can Tho, Vietnam

Can Tho is a city in southern Vietnam's Mekong Delta region. Set on the southern bank of the Hau River, it's known for its canal network and nearby floating markets. The modern 2.75-km cable-stayed Can Tho Bridge spans the river. The busy Ninh Kieu waterfront is a hub for boat trips on surrounding waterways. Illuminated at night, Can Tho's waterfront is home to floating restaurants, bars and hotels.
